

Pathway help: Changing Mobile Font Size

UNIVERSITY OF MISSOURI-KANSAS CITY OFFICE OF THE REGISTRAR

Changing your font size on a mobile device

If you experience not being able to see all information on a page when using Pathway, you should attempt to reduce the font size for your internet browser. Here are instructions for reducing/changing your font size with three commonly used mobile internet browsers: Firefox, Safari, and Chrome.

- 1. Click the Menu icon in the lower right hand corner
- 2. Select **Zoom (100%)**
- 3. Adjust the font size until you can see all your options
