

POST-TENURE PATHFINDERS

HOW AND WHY TO CHART YOUR OWN PATH AFTER WINNING TENURE

- Identify common challenges that faculty face in post-tenure life
- Discuss diverse post-tenure pathways and how faculty can find the path that's right for them
- Consider how the next career chapter might require a different mentoring network and support system
- Allow participants to reflect thoughtfully and productively on future career possibilities

TUESDAY

SEPTEMBER 12, 2023

2:00 PM - 4:00 PM

ZOOM

Facilitated by
Dr. Ndidiyama
Amutah-Onukagha

*Assistant Dean for Diversity,
Equity, and Inclusion*

Tufts University School of Medicine

Tenured faculty navigate an academic landscape with more options and different expectations than they ever had before. This webinar will help tenured faculty consider how best to chart a path for success during this exciting chapter of their careers.

Register Here

Or use [this link](#) to register online.

Registrants will receive a confirmation email with a zoom link.

This webinar is available at no cost to participants.

All faculty from the four UM-System campuses are welcome to attend, but tenured associate professors will find this webinar most relevant.

Sponsored by the [ADVANCE Program](#) at **MISSOURI S&T**
