

UMKC myHSCP Returning User* Enrollment

***Students who have submitted a “FutureRoo” application in Fall 2024 or later**

1. Go to [myHSCP](#) and select “High School Student”:

2. Select “Login” and log in with your UMKC SSO (@umsystem.edu) and password. Please visit <https://passwordreset.microsoftonline.com/> if you forgot your SSO password:

3. Sign the Student Agreement:

Student Agreement

By signing, I acknowledge and approve my application and enrollment for UMKC (University of Missouri Kansas City) High School College Partnership (HSCP) course(s) and hereby permit UMKC to send my grades and course information to my high school guidance office or designated school official.

I acknowledge and understand that:

- The personal email used in account set-up will receive a UMKC username and link to reset the myHSCP password. I am responsible for using those credentials to access myHSCP and enroll in courses, access the Pathway system, and update personal information.
- The grade I earn in the dual credit course(s) will be recorded on my undergraduate college transcript and impact my overall collegiate GPA. I will follow the HSCP "Important Dates" regarding applications and drops. If I choose to drop a course(s), I must complete the HSCP "Drops" form **AND** inform my high school.
- Parent/Guardian consent is required to enroll in dual credit courses, and a payment option must be selected during registration. Tuition must be paid to receive college credit and enroll in future terms.
- I must read the syllabus for each course as it provides information regarding my assignments, tests/quizzes, due dates, and contact information for my instructor. It is my responsibility to remain engaged in my coursework and complete all assignments on time.
- I acknowledge the UMKC Student Conduct Policy as shown below:

"A student enrolling in the University assumes an obligation to behave in a manner compatible with the University's function as an educational institution and voluntarily enters into a community of high achieving scholars. Consequently, students assume new privileges along with new responsibilities in accordance with the University's mission and expectations."
