

HSCP SITE REPORT

HSCP Instructor _____

Course Name _____

HSCP Observer _____

Date of Visit _____ Date Report Submitted _____

Textbook(s) Used _____

To what extent are the HSCP syllabus, aims, and content representative of the on-campus course?

What are your impressions of the student interest and involvement in the course?

Ask to see some papers, activities, or assignments generated thus far in the course. Are the depth and rigor equivalent to the on-campus course?

Comment on the instructor's marking and grading. Does the instructor feel comfortable evaluating student work or is there a need for more help?

We are interested in getting feedback from others regarding the course, the students, anything germane to HSCP policies, procedures or practices. If you have the opportunity to address the class please solicit comments and record them below.

Implementation problems are always a concern, whether from the instructor or student perspective. When asked, were any problems mentioned?

Use the section below to list any necessary follow-up or recommendations

Summary:

- Yes No Is the HSCP instructor using an approved textbook?
- Yes No Is the course consistent with the on-campus course?

Does the HSCP instructor's syllabus contain the following?
