NOTE: To calculate future dates, simply insert a date in the italics (bottom row) and all other dates above it will self-populate.

*Proposals may be submitted after this date. The amount of time required for the full proposal review stage is dependent upon several factors, including the quality of the first submission and the number of modifications needed as well as the number of proposals currently under review by the Office of Academic Affairs.

**Proposals are sent to the other three universities, which have 20 days to submit comments. These comments may require additional modifications to be made by the proposing campus.

[^] SGS or UCC approval required by May 1.

^{^^} Program is added to the catalog (published April 1).
